

3-Day First Aid *at Work*

FACT SHEET

Highfield 3-Day First Aid *at Work*

The new, HSE- approved 3-day First aid at Work course will be launched on the 1st October 2009.

It is a requirement of Health & Safety law that employers should ensure the health and safety and welfare of their employees and the public. Employees must also provide adequate personnel, training and equipment to render first aid to their employees.

This course replaces the 4 day course and is the most popular course available for employees who require qualified first aiders.

All successful students will be issued with a new First Aid at Work Certificate which lasts for a period of 3 years, along with a wallet-sized plastic card detailing their qualifications.

→ **Course duration**

3-day.

→ **Assessment**

Ongoing practical and oral assessment throughout the course by the tutor.

The 3-day First Aid at Work qualification is provided by Highfield.co.uk Ltd who are approved by the HSE.
