

# Level 3 Award *in Supervising* Health and Safety *in the Workplace*

## FACT SHEET

### HABC Level 3 Award *in Supervising Health and Safety* *in the Workplace*

The Level 3 Award in Supervising Health and Safety in the Workplace is a qualification aimed at Supervisors and Managers. The qualification is intended for persons already working in the capacity of supervisor or manager, or those who are preparing to start work at this level.

Persons who successfully complete this training will learn that supervisors and managers have legal and moral obligations to ensure health and safety within a business, which cover employees, contractors, visitors and suppliers.

The subjects included in the qualification are regarded by the Health and Safety Executive as being important to developing safe working procedures in the workplace.

The qualification is based on the *Level 3 National Occupational Standards* developed by *ENTO HSK1* and *HSS1*.

#### → **Course length**

Guided learning hours for this qualification are 18 - 21 hours.

#### → **Assessment**

60-question multiple-choice examination paper.  
Successful candidates must achieve a score of at least 40 out of 60.  
Candidates will obtain a Merit if they score 50 out of 60 or more.

#### → **Examination duration**
